

WILSON MUSIC PROMOTERS

NEWSLETTER

JULY 2026

FUN FACTS

- Each year we host a DCI Corp for the DCI Eastern Classic held in Allentown. This year we will be hosting the Phantom Regiment on July 31 and Aug 1.
- Also, Jayka Weder, our front ensemble coordinator, will also be performing with the Boston Crusaders in Allentown.

FUNDRAISERS

- We do several fundraisers each year so we have the funds to support the music department and let your student raise money for their activities.
- We are always looking for positive or negative feedback on our fundraisers. If you have any feedback for last years fundraisers or a suggestion for a new one please [fill out this form](#).

VOLUNTEER OPPORTUNITIES

Marching Band season has started and we need your help.

- **Prop Building:** We welcome helpers of all skill levels! Whether you're a beginner or an expert carpenter, join us for a meeting on Tuesday, 7/21, at 6:00 PM. Mr. Houser will discuss the props needed for this year's marching band season.
- **Bandcamp Dinners:** Want to provide students with delicious meals during band camp? A signup link will be available soon for dinner service. If you're short on time, consider donating food instead!
- **Concession Stand Assistance:** The football team has home games on September 18, 25, and October 2, 23, with a possible playoff game on November 6. Keep an eye out for Signup Genius the week before each game to volunteer at the concession stand.
- **Logistics Support:** Each performance requires assistance with transporting equipment and props on and off the field. This is a fantastic way to support the band while enjoying free admission. A Signup Genius will be shared before each performance.
- **Sound Panorama:** More details will follow, but we will need around 80 volunteers to make this happen.

Thank you for your support!
