FUNDRAISING INFO

THE DISCOUNT FUNDRAISER IS STILL LIVE!

DEADLINE TO USE **STUDENT CREDITS** FOR DISNEY IS JANUARY 14TH.

WHY?

We are a parent-run nonprofit dedicated to supporting and enhancing our students' music programs. Every parent with a student in the program is a Music Promoter, and even small ways of helping make a big difference.

LOOKING AHEAD

We're looking ahead to next year and are in **need of a parent to help coordinate Football Concessions for the 2026 season** – one of our biggest fundraisers supporting our music programs.

You won't be starting from scratch! The past three years of concession planning, notes, contacts, and systems will be handed off, with full support from the Promoters board.

This is a meaningful behind-the-scenes role, and a great way to make an impact for our students. If you're interested or want to learn more, we'd love to hear from you! Contact us to learn more.
