Consultant**

Collaborate

Integrate

Elevate

Empowering Business Integrations to Achieve Ultimate Value

Business Collaboration

- Full-cycle ERP and CPM implementations
- Design and establishment of company-wide PMOs
- Standardization of cross-functional processes across Finance, HR, Sales and Ops

Strategic Integration

- Carve-out separations
- Post-merger integrations
- Back-office buildouts
- Results-driven, pragmatic approach to achieve measurable value

Elevation

- Foster collaboration through all levels of the business
- Cultivate and develop strong teams
- Break down silos and resistance to change
- Professional coaching

Who Is Colaber8?

A firm partnering with private equity firms, portfolio companies, and small-to-mid-sized corporations to lead results-focused integrations and transformations. Tara Willis is a CPA with over two decades of cross-functional, dynamic leadership experience. She brings deep expertise in mergers & acquisitions (M&A), finance transformation, ERP implementations, and business process optimization.

What Does Colaber8 Do?

Colaber8 serves as a trusted advisor to CEOs, Boards, and Executive Teams, applying practical strategies and proven techniques to accelerate outcomes and optimize value realization by aligning operations, people and business goals.
