Standard	Plus	Grand	Premium
<p>Includes</p> <ul style="list-style-type: none"> • 2 Pre-emergents • 6 Fertilizations • 6 Weed Control Applications <p>6 Treatments</p> <p>Our most affordable plan that is best for lawns that are already well established that you wish to maintain. Two treatments are done in the spring, followed by two in the summer and two in the fall.</p>	<p>Includes</p> <ul style="list-style-type: none"> • 1 Lime Treatment • 2 Pre-emergents • 6 Fertilizations • 6 Weed Control Applications • 1 Grub Preventative • 1 Insect Control Application <p>9 Treatments</p> <p>This plan includes a lime treatment that helps to regulate the soil pH which will increase effectiveness of all treatments. Your lawn will be protected from the devastating damage that grubs can cause. A free summer lawn insect control application is included.</p>	<p>Includes</p> <ul style="list-style-type: none"> • 1 Lime Treatment • 2 Pre-emergents • 6 Fertilizations • 6 Weed Control Applications • 1 Grub Preventative • 1 Insect Control Application • 2 Liquid Aerations • 1 Winterizer Application <p>12 Treatments</p> <p>In addition to what the Plus Plan offers, the Grand Plan includes two liquid aerations, (spring and fall) which will make a profound difference in your lawn. The winterizer helps to keep your lawn healthy going into and coming out of winter.</p>	<p>Includes</p> <ul style="list-style-type: none"> • 1 Lime Treatment • 2 Pre-emergents • 6 Fertilizations • 6 Weed Control Applications • 1 Grub Preventative • 1 Insect Control Application • 1 Aeration & Overseeding • 1 Winterizer Application <p>11 Treatments</p> <p>The more traditional core aeration is here instead of liquid aeration. This includes turf type tall fescue seed which is more disease, drought and heat tolerant compared to others. It will fill in a thin lawn beautifully.</p>

Each application will be done by a licensed professional who will help guide you to achieving and maintaining a healthy lawn.
