THANK YOU FOR JOINING US FOR

First Responders (Police, EMT, Firefighters) Appreciation Day.
The Holy Scriptures tells us to give honor to whom honor is due.

That is our desire today. This morning we come together to say

“Thank you to those serving and their precious loved ones
supporting them. We do appreciate your 24/7 availability

And services rendered!” My prayer is that God will help us all
glorify Him always in all things and keep each of you safe!

THE HOUSE OF GOD "INVEST IN SOMETHING REAL"

**It stands with dignity in our midst,
Telling the height, the depth and the width
Of the love of God to passers-by
As it's steeple points towards the sky.**

**The result of sacrifices made,
By travelers in life's big parade:
Through many have fallen by the way
We are left to contribute and pray**

**It is the medium through which He speaks
To the Souls through repentance seeks
To know the God of all creation,
The one who died for our salvation.**

**Wrapped up in our contributions are
Influences that will reach afar,
Helping people in the here and now,
And after we've made our final bow.**

**Time and talents will be multiplied
When we remember the crucified
The one who spent His life in giving
To put some purpose into living**

**Again, we are making our appeal
For you to invest in something real
That will pay the greatest dividends
And guarantee life that never ends**
