Enthusiasm

Enthusiasm is the greatest asset in the word.

It beats money and power and influence.

Single handed the enthusiast convinces and dominates where the wealth accumulated by a small army of workers would scarcely raise any interest.

Enthusiasm tramples over prejudice and opposition, spurns, inaction storms the citadel of its object, and like an avalanche overwhelms and engulfs all obstacles.

It is nothing more or less than faith in action. Faith and initiative rightly combined remove mountainous barriers and achieve the unheard of and miraculous.

Secure in His Love

Just close your eyes and open your heart

And feel your worries and cares depart

Yield yourself to the Father above and let Him
hold you secure in His love.

For He hears every prayer and answers each one

When we pray in His name, "thy will be done,"

And the burdens that seemed too heavy to bear
are lifted away on the wings of a prayer.
