

Message to church family:

We know your hearts are broken, as are ours, for our Country. We grieve and pray for comfort for the family of George Floyd.

We grieve for our nation, torn apart by sin, hatred and division and we look to God. We want to share with you this powerful message from today's broadcast of "Grounded" (a ministry of "Revive Our Hearts").

We ask that you prayerfully watch this. There is a 10 minute delay in the beginning when you log on.

In the service of our Savior,  
Pastor Don and Nancy
