### THE WAY OF LIVING GENEROUSLY

- David Green-Founder & CEO of Hobby Lobby

“I have expanded my personal goals for life. The list now reads:

1. To have a great marriage
2. To raise children who are serving God
3. To be successful in business
4. To see our grandchildren and even our great-grandchildren serve God.
5. To use our resources to tell as many people about Christ as we can.

If all that comes to pass, I can die a happy man. I can stand before God at the final review and look forward to good news.”
