

# The Theater Project – Actor Performance Contract

The following policies are in place to ensure a safe and productive rehearsal and performance environment:

- Attendance is extremely important for the success of this production – we expect that ALL performers will attend all scheduled rehearsals. Any pre-scheduled conflicts must be approved by the director. In case of illness, please inform us as soon as possible. If a performer misses a rehearsal without prior approval they may be removed from the production.
- Directors/teachers/facility are not responsible for youth cast members outside of the scheduled rehearsal time.
- Cast members should wear comfortable clothing that allows for movement and flexibility. Please do NOT wear FLIP FLOPS to any rehearsal as they make you prone to injuries when dancing and completing blocking.
- Inappropriate or disruptive language and behavior will not be tolerated. If a performer is disruptive to the process they will be removed from the production. A performer may be removed at any time at the discretion of the directors.
- Rehearsals are for cast members only. Although we believe it is important for family to be involved, we do have a “closed” rehearsal policy to minimize distractions to the cast and rehearsal process.
- Photos from the production will be used in promotional materials/online – if you do not want your photos included you MUST inform us in writing prior to the end of the production (no names are used)

**Cast members are responsible for returning all materials on the last night of the performance – any delay or loss of materials will require reimbursements costs (per our contracting company).**

I recognize and understand the risks of physical injury inherent to theater, theater dance, and performance and am willing to assume those risks for myself/my child(ren). I agree that I will not hold The Theater Project, Creative Avenues, off-site performance space, or any faculty liable for injuries sustained or illness contracted by me/my family while in attendance at rehearsals/performance. I understand that it is my/my child’s responsibility to safeguard his/her own personal property and will not hold any of the above entities/persons responsible for loss or damage of personal property while in attendance at their facility. I have read, understand, and agree to the policies listed above regarding absence, misbehavior, and all other rules outlined in the contract.
