Beechwood report january 2025

January was still a fairly busy month here at the park. Cold weather around the holidays had our ice skating rink frozen for the first time of the season and it was a big hit. We've also seen a steady flow of cross country skiers in january and even a handful of campers. Our regular hikers, dog walkers, fishermen and birders are braving the cold weather and have been using the park daily as well. January and february are the months where all the planning for the upcoming season gets done and park maintenance is still ongoing, so we stay busy year round here. Also, the plow for the side by side has been working great, so our parking lots and main trails through the park have been nice and clear no matter how much snow has fallen. It has been a great start to the winter here at the park.

January 2025 Directors Report

Happy New Year!

Jan 6ht- We are doing the same thing for the coaches uniforms as we did with the kids and coaches are paying back the remaining balance. As a thank you for what they do and volunteer their time with no pay for weeks, I made the choice to purchase their first item and they would be responsible for the rest. Jan 11- We had a basketball game and it seems there was a very heated argument between 2 sodus parents about their child's performance. Coach Katie has taken on and de-escalated the situation as well as reminded the parents there is a way to conduct yourself and this is Recreation meaning fun. If we cant have parents behaving then we won't be able to have them there. We need to set examples for our children. Coach Katie reached out to each of the parents from her team to get a better understanding as well as to make sure everyone understands the code of conduct at the school and for rec There was also an Issue between the sodus boys team (Derue) and NRW. The Referee was able to escalate the situation but I am going to request to have the SRO or another officer be present at these games with me in the event something like this occurs again. Coach Derue has also expressed he would appreciate that as well not just for NRW games but for all Home games. Which I Understand and am able to support. Jan Jan 25ththe form was prepared for both registration and Applications for winter rec. They will be released on Feb 1st.
