Sue Winter: I just found out a month ago that I've been in noncompliance since 2015 when I moved to Sodus. I've always had four dogs. I never knew when I licensed them with the Town Clerk. Nobody ever said, hey, if you got four or more, you have to have a special permit. I was talking to some other people, and they said, well, if you got four, you have to have a permit. So, that's what I'm applying for. I did lose one of my dogs a few weeks ago, so I am down to three. My daughter has two dogs. They sometimes stay with me. She's in college so I've had the one for about three weeks now. I do have their dog licenses if you guys want to see them, from Seneca Falls where her father lives. Both of her dogs are licensed there. But like I said, they're only with me occasionally. All my dogs are spayed or neutered. I have no intention of having puppies.

John Hayslip: I make a motion to approve this application.

Kim Buell: I'll second.

David Johnson: All in favor? All Aye, Motion Carried.

David Johnson: Motion to adjourn. **John Hayslip:** I will make a motion. **Kim Buell:** I second.

David Johnson: All in favor. All aye. It is 7:21PM the meeting is adjourned.
