

## Town of Sodus Cemetery Committee Meeting

October 8, 2025 Time 6 pm to 6:45 pm

Location: South Sodus Cemetery

Present:

Sal Vittozzi, Wayne & Andrea Vermeulen, Chris Tertinek, Sandy Hopkins, John Hopkins (Facetime).

Minutes approved by Sal and Andrea for the August and September meetings.

Walked around South Sodus Cemetery to see what needs to be done. Trees need to be removed or trimmed. Sal/Chris will check with Jared to see if trees by the road could be removed by the Town of Sodus. Shed needs to be torn down and removed. 52 stones need to be repaired or straighten up. Weed and brush control.

Progress on Joy Cemetery. Some more stones repaired by Wayne and John. Rotten boards on shed repaired by Ron Reynolds, William Martinez and Sandy. Shed painted by Steve Putman. Sign given to Vicky Fisher to repaint. Scott Fisher will be removing stumps from the bushes around the shed and caulk boards. Scott Fisher lets us use his electric to run the saws. William Martinez and Sandy leveled the dirt in and around the Green plot. When moving the dirt they found many broken stones and pieces of stones buried under the dirt pile. Will try to locate where they belong. John has a guy that is willing to weld/repair the fence around the Green plot. Wayne and Andrea arranged to have Mike Alwar's company remove two Spires from monuments under the pine trees so now Chad Caves can come and trim up the trees which will be in November. Reroofing of the shed roof will happen soon.

We had a budget of \$3000.00 for 2025. Will use \$1800.00 to trim trees and paid Mike Alwar \$500.00 to remove spires. Will have the expense of putting the spires back up when tree trimming is complete.

Next meeting November 12th at 6:00 pm at Sodus Town Hall
