TOP NOTE

FRUITS

A gourmand explosion that settles like fruit on the tongue, wrapping itself in sensual flowers. Just like your fluffy friends when running on sunshine.

HEART NOTE

JASMINE

Inspired by a sun-drenched morning in a Chinese garden, the heart note captures the scent of White Jasmine. Outspoken yet fresh and clean.

BASE NOTE

MINT

The unexpected twist of freshly picked Mint evokes a sense of tranquility.

ALCOHOL-FREE NATURAL FRAGRANCES

Designed in the central laboratory of FREDUE, Lambkin creates natural scents for our fluffy friends. Using only raw and natural ingredients, this line of fragrances is entirely alcohol-free. Working together with the chemistry of pets' skin, its quick absorption creates a unique scent.
