We hope you are ready to think about your gardens. It is something positive we can focus on during what has been a very gray winter.

While we are offering most of our favorite annuals we have also added a couple of new items we hope will interest you. The PW indicates a Proven Winners plant. Please note:

Annual Flowers

- Jamesbrittania Safari DawnLots of pink and yellow bi-color blooms and heat tolerant
- Verbena Bonariensis Meteor Shower.....Spikey lilac blooms on deep green foliage attracts butterflies and hummingbirds

Annual Foliage

- Coleus Copperhead....Red/orange leaf with ruffled lime edges
- Coleus Glory Road.....Cascading plant with red and burgundy leaves and green edges

We brought back an old favorite in flats.....the sun-loving Portulaca

Also, you might want to give Lobularia a try..... It is like Alyssum on steroids!

Similar to last year we will be pulling orders and calling you as soon your order is ready in the hopes you pick it up as soon as possible. This could be as early as 11:00 am. We are asking you to indicate a preferred pick-up time slot.....11:00 to 2:00 or 2:00 to 5:00.

Please bring a checkbook, cash will not be accepted.

over

Although we have ordered extra plants, we will not be selling them until Friday the 19th between the hours of 10:00 am and 4:00pm. Again, please bring your checkbook. Homegrowns will not be available.
