

Start with Self

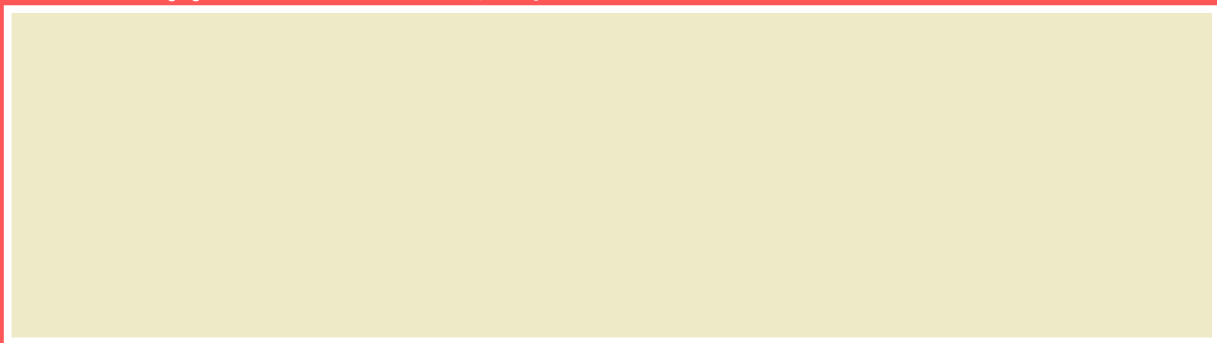

Do you love your current career/job? If not what do you really want to do?

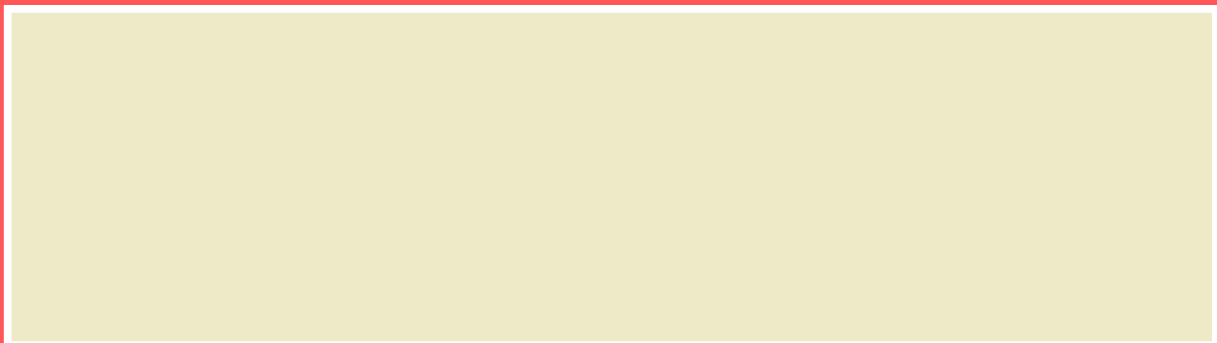

What is your passion? Purpose?

Are there people in your life who love you? Add value to your life? Support & encourage you? Who?

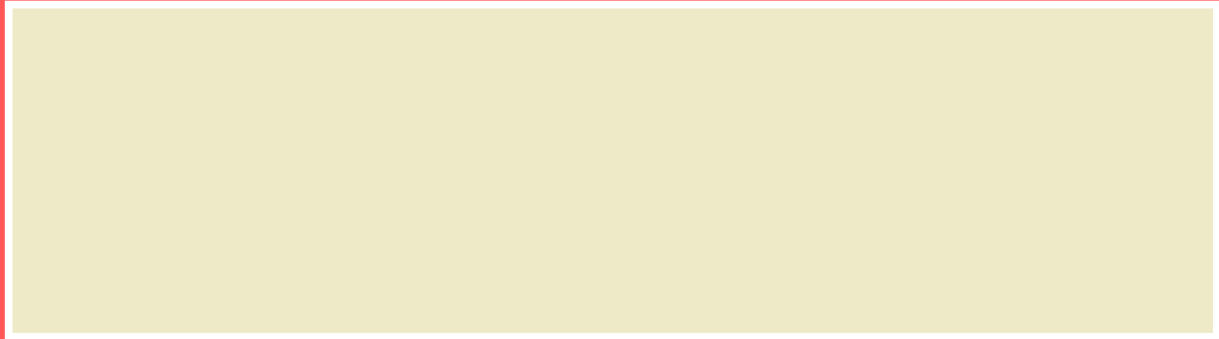

Do you love your home environment? Why? Why not?

Start with Self

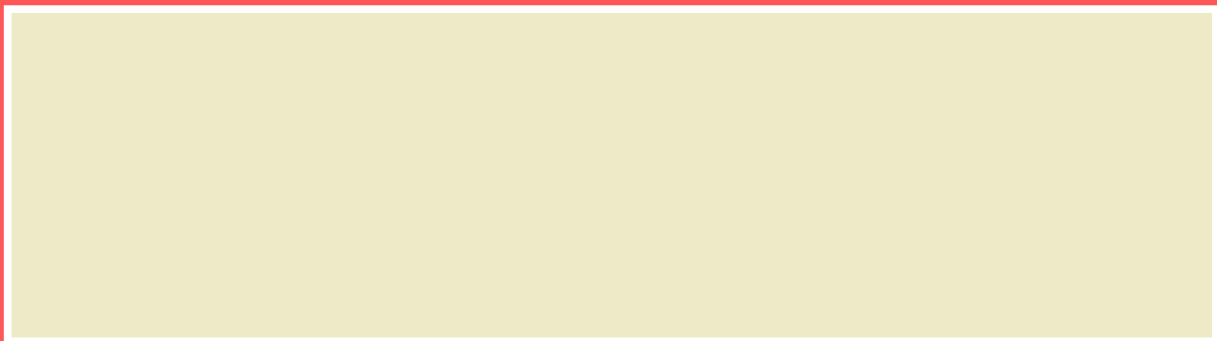

When was the last time you went on an adventure? Did something out ordinary?

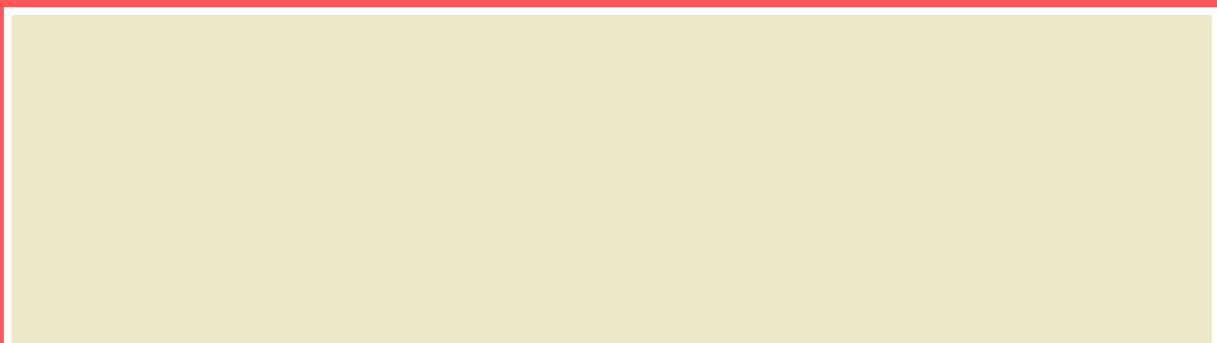

Do you have fun every day? Laugh and smile often?

Is there anything in your life that you dread? Hate? Can you eliminate it?

What are the best parts of your life? Things you look forward to?

Start with Self

What are the top 3 goals you want to accomplish this year?

What obstacles are standing in the way of you achieving these goals? Obstacles that could arise in the future?

What daily action do you take to work on your goals? Or what can you start doing today?

What will it feel like once you achieve your top 3 goals?
