

SPONSORSHIP OF WINGS OVER PEGASUS 2023

Thank you for considering sponsorship of *Wings Over Pegasus*. Below is a description of the event and sponsorship levels available.

Wings Over Pegasus is our annual airplane extravaganza, held here at the Pegasus ranch on Saturday, April 8th. This year we are pulling out all the stops and are counting on our sponsors to make this day a huge success and help raise lots of money for our horses! In 2023, it's all about the AIRSHOW!

Wings Over Pegasus will feature a variety of skydivers, airplanes, and helicopters. Our breathtaking airshow this year includes performances by Leland Kracher in a Christen Eagle, Kate Kyer in a Pitts Special, Jeremy Holt in the "Pegasus," a T-28 from the Trojan Phlyers & Racing Team, and Stephen Covington in the "Raptor." On the horsey side, guests can visit with the Pegasus staff and meet the horses and get information regarding adoption and sponsorship opportunities.

The following are examples of additional activities our guests will enjoy:

- Raffle drawing for two round-trip tickets on Southwest Airlines
- Photo opportunity with "Pegasito," the winged donkey, in his kissing booth
- Paint a horse
- Tennis ball toss
- Flour bomb competition
- Photo opportunities with horses or with a cool airplane
- Silent auction (online this year!)
- Easter egg hunt
- Easter bunny
- Gourmet food trucks

Because horse neglect, abuse and abandonment in East Texas are prevalent and serious problems, The Pegasus Project was founded in 2010. Over the past thirteen years this organization has assisted, rescued, rehabilitated, retrained and re-homed hundreds of mistreated horses, donkeys, and mules. In celebration of our mission, the public is invited to come enjoy the day and help with this very worthy cause.
