# ABOUT US

We are a family friendly club and uniquely cover both recreational fishing and spearfishing. The club was established in 2019 and is based Onslow, Western Australia. We are run solely by volunteers. In our 24/25 season we had 203 financial members. Our members enjoy free entry to all members only events and discounted entry to our open events. All of our event prizes are awarded across a range of age groups to encourage junior participation.

In the 24/25 season we held four members only events & three open events.

## Members only events

**Creek to Creek** – A creek and beach fishing competition culminating in our famous mud crab race.

**Ashburton Shootout** – A spearfishing competition.

**Release Me** – A measure and release fishing competition.

**Annual Club Competition** – A yearlong competition for fishing and spearing, culminating in a presentation night and the crowning of our club champions in the small fry, junior and adult age groups, for anglers, spearing and measure and release categories.

## Open Events

**Kids Fishing Clinic** – A free fishing day for all local and visiting kids.

**Beadon Bay Bash** – A multi species, fishing and spearing competition heavily angled towards family participation.

**MACK10K** – Our signature event. A single species fishing competition for Spanish Mackerel. The major draw card is a \$10K prize to the angler who catches the heaviest Mackerel.

The Ashburton Anglers are immensely proud of our town and surrounding waters. We enjoy working with other non for profits, the shire and commercial entities and contributing to local events and activities ensuring that Onslow remains a friendly, livable and sustainable community.

# CLUB OBJECTIVES

To promote recreational fishing as a sport to the Onslow Community and the Wider Regional Community through the running of events.

To promote and encourage recreational fishing and sportsmanship, in all its forms by providing a conduit for those of all ages to interact in a friendly knowledge rich environment.

To encourage Junior participation in the sport of recreational fishing.

To promote adherence by members and the Onslow Community to all state and national fishing and boating regulations.

To provide a focal point for visitors and potential new members for current local fishing information and upcoming events.

# WHAT WE DO IN COMMUNITY

# ABOUT THE BEADON BAY BASH

Beadon Bay Bash fishing competition is traditionally held on the WA Day long weekend each year and is an open competition. This event is a multi-species line and spear fishing competition where fishing commences at 6am Saturday and finishes in the afternoon on Sunday.

This event has traditionally been very well supported, often with over 100 entrants with approximately 20% being juniors. The event is heavily designed towards families & junior participation, with every child that enters walking away with a prize, so this is a great opportunity for your business to get their name out there in the Onslow community.

**Sponsorship of this event represents an excellent advertising opportunity for your company, if you are interested, please contact us prior to the end of JANUARY 2026**

# **EVENT STATISTICS**

# **SPONSORSHIP OPPORTUNITIES**

**We are currently seeking sponsorship in the form of monetary contributions or in-kind donations to support the acquisition of prizes, overall running costs, capacity building and safety requirements of the upcoming Beadon Bay Bash fishing competition.**

**Prizes will be awarded across 41 species and categories, including adult, junior, angler, and spear fishing divisions. The typical prize value per category ranges from \$250 to \$1,000, depending on the species and category.**

**As a sponsor, your business logo will be prominently featured on all event advertising including a full-page advertisement in the Western Angler magazine and event merchandise.**

**In addition, the Ashburton Anglers will produce a sponsor banner showcasing all sponsor logos, which will be displayed at the event briefing, weigh-ins, and presentations.**

**Sponsoring this event offers an excellent opportunity to promote your brand to a wide and engaged audience. If you are interested in supporting the competition, please contact us before the end of JANUARY 2026.**

**Confirmation must be received by this date for your business logo to be placed into the Western Angler advertisement.**
