

Statement of conformance

Risk Consultancy Global (RCG) is a private security company headquartered in the United Kingdom with international offices in Dubai, Somaliland and Somalia, some of the world's most complex and challenging environments. Our Mission is **to create a safe socio-economic environment for all of our clients!** by delivering professional, intel led, ethical, and risk informed security services that promote stability, operational continuity, and sustainable growth while supporting compliance, resilience, and long term success. Stakeholders: RCG has delivered services to a wide range of clients, including government entities, intergovernmental organisations, Non-Governmental Organisations and private sector clients in the UK, Dubai, Somalia and Somaliland. Core Capabilities: Our organisation is built on seven key pillars Consultancy, Advisory, Logistics, Procurement, Security, Risk Management, and Capability Expansion. These elements ensure we can provide integrated solutions across diverse and complex operational contexts. RCG conducts all operations with the highest standards of moral and ethical conduct, guided by a Code of Conduct that is embedded at the heart of our business. We are committed to the protection of human rights and to contributing positively to the environments in which we operate, guided by a robust corporate social responsibility framework. Our experience in complex environments has shaped our ability to operate effectively within demanding, legally sensitive, and high-risk contexts. This expertise underpins our strategic expansion internationally, where our management system is designed to support safe, compliant, and effective service delivery. RCG is firmly committed to the principles of the UK Human Rights Act, the UN Guiding Principles on Business and Human Rights, and the International Code of Conduct Association (ICoCA), for which we are pursuing membership. We also adhere to the obligations of the Montreux Document, ensuring our practices align with international norms for private security providers. This statement of conformance forms part of our PSC.1 and ISO 18788, 9001 accreditation, reflecting our commitment to best practice, accountability, and the responsible delivery of security services in complex and high-risk environments.

We strive to:

- Not discriminate in any nature or form
- Work fairly with all, clients, contractors, and counter parts ensuring all are vetted accordingly.
- Provide the highest possible standards we can as an organisation
- We will not engage in bribery or corruption at any circumstance
- We will provide sufficient remuneration and compensation to, staff, contractors and suppliers.

Risk Consultancy Global have an endeavour to always provide the highest possible service, whilst continuously reviewing process and protocols to keep us up to date with evolving laws, legislations, regulations, and accreditations such as ISO9001, PSC,1 and ISO18788 as the company expands.
