

# 1

## CHAPTER 2 LESSON 3.4

# ACCOMMODATIONS OR MODIFICATIONS

**Accommodations** are tools or adjustments made to help a student complete an assignment without changing the assignment. **Modifications** are a change in what is being taught or expected from the student.

Which supports are accommodations or modifications? Categorize each support in the correct column.

Different grading rubric

Copy of class notes

Shortened assignments

Re-worded questions

Questions read aloud

Alternate Assignments

Task Reminders

Extra time on Assignments/Tests

Different Learning Material

Accommodations	Modification

List 2-3 supports that will help you to be successful in the classroom
