

THE NATIONAL LEADER IN LIVE ENTERTAINMENT

About Us

The background of the slide is a dark, atmospheric photograph of a concert. In the foreground, the silhouettes of many audience members' hands are raised high, reaching towards the stage. In the background, bright stage lights create a hazy, glowing effect, with some light reflecting off the audience's hands. The overall color palette is dark with highlights of yellow and white from the stage lights.

JRNY Entertainment is a national experiential live entertainment company, that delivers impact-driven concert experiences.

Our solutions and experiences set trends and drive business outcomes. With the belief that an event may be forgotten, but an experience will last a lifetime!
