# FERROUSMAX

## GET THE STAIN OUT OF YOUR WATER.

It starts by installing the problem - solving Ferrousmax System.

### REMOVE IRON WITH THE RIGHT SYSTEM.

When fitted properly and sized according to your home's specifications, the FerrousMax system eliminates dissolved iron and manganese up to 10 ppm, Resulting in better quality water flowing through your home.

### PUT A STOP TO TROUBLESOME WATER HARDNESS AND SCALE.

As Ferrousmax works to remove iron and manganese, it also softens water and stops the scale buildup that can clog pipes and shorten appliance life. This multi - tasking water system can save you costly repairs and maintenance down the road.

As Ferrousmax conditions your water, it helps appliances like your hot water heater operate up to 30% more efficiently than without softened water. You can also cut down on soap and cleaning supply use by up to 50% And it does all of this while protecting the life of your dishwasher , coffee maker and other appliances that use water.

### USE – FRIENDLY

Virtually maintenance – free , except for the need to add salt to the salt tank, Ferrousmax features easy water processing and automated programming for a “set it and forget it” solution. The system is also designed for easy use with its smart, electronic metered and fully programmable smart control valve to meet your family's water demands 24/7

### SYSTEM FEATURES

#### **BUILT TO LAST**

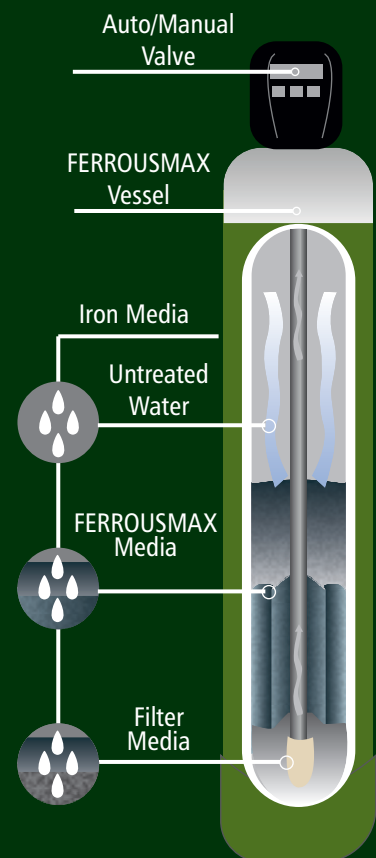

Manufactured with durable, commercial – grade, corrosion –resistant Components, Ferrousmax includes a strong product warranty (5 years on valve/ 10 years on tank.)

#### **CERTIFIED MEDIA AND COMPONENTS**

The media is third – party certified to NSF ensuring the product complies with strict manufacturing standards. The components are also certified to NSF.

### HOW IT WORKS

- 1) Untreated water flows through the iron /manganese removal resin.
- 2) Resin removed dissolved iron and manganese while simultaneously softening your water.
- 3) Iron free and softened water flows through your home-providing cleaner , stain free laundry , appliances and fixtures as well as easier household cleaning and softer skin, Plus , you reduce the amount of soap you use, save on energy costs and eliminate unnecessary appliance maintenance.

### System Specification

Model*	FLOW m3 / hr	Model*	FLOW m3 / hr
FERROUSMAX01	1.0	FERROUSMAX05	5
FERROUSMAX02	1.5	FERROUSMAX06	6
FERROUSMAX03	2.0	FERROUSMAX07	7.5
FERROUSMAX04	3.5	FERROUSMAX10	10
