EXTRACT

D9 VAPE CARTS

TRY ALL 20 FLAVORS!!

LIVE BADDER

Fresh frozen turned into high quality Baddar. The live terps make the difference!

RAW DIAMONDS

100% Raw Diamonds for the highest form of THC.

1G LIQUID DIAMOND CARTS

Quality over quantity with these HIGH POTENCY Diamonds decarboxylated into a stable liquid, then shot directly into a fully ceramic cartridge.

HASH ROSIN CARTS

The Cart of all carts. Decarbed Hash rosin shot directly into a fully ceramic cartridge.

CAVIAR

The bang for your buck! High quality terps made from fresh frozen and extracted into some delicious Caviar.

LIVE RESIN CARTS

Organically derived Live terps paired with high quality D9

DIAMONDS AND TERPS

70/30 blend of Diamonds and Terps. This blend gives you great taste paired with high potency.

HASH ROSIN

We source the highest quality rosin that we can find. Quality is our number one priority.

PLANT & FLASK

Natural **HEALING** Power

POT SHOTS

A flavorful punch at 100mg of nano d8 THC per 2oz bottle. Our **Pot Shots** do not require refrigeration and are shelf-stable for 6 months. They are low-calorie and sugar-free. Shake well and enjoy.

CBD TINCTURES

Organic MCT oil infused with full-spec hemp extract in a tamper-evident, child-safe, UV-resistant glass bottle with a calibrated dropper for accurate dosing.

Available in: 500mg, 1000mg, 1500mg

CBN DROWSY DROPS

Scientifically formulated to promote rest and relaxation for the health-minded consumer. Our **Drowsy Drops** contain premium ingredients from certified suppliers who are well known for quality ingredients.

CHILL PILLS

Our special blend **Chill Pills** offer a discreet and convenient way to consume CBD, Delta-8. Also available in Delta-9 from our **Exotic Exchange** brand.

CBD PET SPRAY

Our premium **CBD pet spray** is a convenient way of providing CBD to your furry friend! Simply spray directly on food to provide CBD as needed.

THC BAKING OIL

Our convenient **Baking Oil** contain hemp-derived delta-8 blended in organic MCT oil, plus organic phospholipids for increased bioavailability and USP Vitamin E Complex to maintain freshness.

THC THROAT SPRAY

A water-soluble delta-8 THC spray. Also available in Delta-9 from our **Exotic Exchange** brand.

THC DROPS

Organic MCT oil infused with delta-8 THC hemp extract in a tamper-evident, child-safe, UV-resistant glass bottle with a calibrated dropper for accurate dosing..

Available in: 500mg, 1000mg, 1500mg

THC DRINK ENHANCER

Turn any drink into a medicinal beverage with our Water Soluble **Drink Enhancer**! Ideal for use in coffee, juice, tea, or even water. Take control over how strong you want your drink to be and dose to your own preference using our calibrated dropper.

PLANT & FLASK

Natural **HEALING** Power

BATH BOMBS

Our Bath Bombs contain 100mg of CBD to promote complete relaxation, enhance the bath experience, and assist in relieving tension. Try our **Amber Rose** or **Honey Oat** Bath Bombs!

CLARITY

Provides support to calm and repair. Try it for inflamed or acne-prone skin, and combination skin types.

PHYTO-FREEZE

Provides cooling pain relief to support, relieve, and soothe. Try it for aches and pains. A little bit goes a long way with this one. Great for a cooling massage.

DAILY ESSENTIALS

Our fragrance-free **Daily Essentials** Lotion is a light and hydrating formula made with moisturizing aloe and soothing jojoba and is infused with broad-spectrum CBD distillate.

THE FOUNTAIN

Provides support to smooth, quench, and tighten. Try it to revitalize tired skin.

SOLAR FLARE

Provides support to soothe and replenish. Try it to encourage renewal and support for sun-damaged skin.

SUPPOSITORIES

Our **Suppositories** are formulated for optimal delivery of THC and CBD. Try them for pain or cramping.

Suppositories bypass the liver and first-pass metabolism to deliver relief where it is most needed.

LATER GATOR

Provides healing support to smooth and soothe. Try it for eczema, psoriasis, dermatitis, and general skin concerns.

EXTRA STRENGTH

A light and hydrating formula made with moisturizing aloe and soothing jojoba. Infused with a blend of broad-spectrum CBD distillate with added THC distillate making it Extra Strength.
