

# Holiday Glamour Cocktail

## **Ingredients:**

- 1 cup simple syrup (homemade if possible)
- 1 cup lime juice & 1 cup lemon juice (fresh), mixed
- 1 oz Hum Botanical Spirits
- 1 bottle of Cave de Turckheim Tradition Crémant d'Alsace
- Garnish with rose petals or thin slice of lime

## **Preparation:**

Once you have all your ingredients assembled, you can make an individual cocktail by pouring 1 oz juice mixture, 1 oz Hum, into a shaker, add ice, shake until mixture is chilled. Then dispense into a Champagne or Coupe glass, filling halfway. Top with sparkling wine.

*\*If you cannot find Hum, you can substitute Benedictine or Amaro. Just remember that using a version of those spirits will lend a slightly different taste to the cocktail.*

*For instance, Hum is rum infused with hibiscus, ginger root, green cardamom and Kafir lime. Benedictine includes the main flavors of Angelica, Hyssop and Lemon Balm.*
