2022 Un Dimanche Ensoleille "A Sunny Sunday" Rosé

AOC Fronton

Château Clamens' lovely and bright Un Dimanche Ensoleille (A Sunny Sunday) Rosé is crafted from 100% Négrette, the regional grape of Fronton. It is dry, fruity and well-balanced, featuring aromas and flavors of juicy strawberries, raspberries and red currant. The wine has a long, acidic fruity finish.

The Story: Clamens' Sunny Sunday line of wines was born of hope. During the heart of the COVID-19 lockdown in France, winery owner, Stefan Heppelmann, winemakers and staff gathered to discuss crafting new wines, and what resonated with everyone was the need for something light and refreshing that would ignite a feeling of both normality and renewal... fruity, accessible, well-made wines to share a good time, in good company! These new wines would be a bright beacon leading us all back to those "Sunny Sundays" joyfully gathering in the park with friends and family.

Alcohol: 12%
