

2022 Tradition Pinot Noir

AOC Alsace, Tradition Vineyard

Cave de Turckheim's delicious Tradition Pinot Noir has a light and fruity nose, bursting with aromas of red and black cherry, cranberry and raspberry. These bright flavors carry through to the palate, bringing forth the wine's beautiful personality.

The Legend: Many of Cave de Turckheim's vineyards sit on a sunny hillside overlooking the medieval town of Turckheim in Alsace. Local legend says this extraordinary terroir was the site of a great battle between the sun and a dragon. The fierce combat set fire to the then-forested hillside, burning it to the ground. The next spring a vineyard magically appeared from the ashes.

The Terroir: Turckheim's unique position on two geological fault lines -- those of Munster's valley and the plain of Alsace -- combined with its rich variety of soil types (gravel, granite, chalk and clay) provides an ideal terroir for all the major grape varieties of Alsace to happily thrive.

Alcohol: 12.5%
