Château Clamens Rouge 2019

AOP Fronton

The ruby color of this delicious red blend perfectly avows the vibrant fruity nature of the wine.

The unique terroirs of the Clamens vineyards near Toulouse, France, feature sandy loam and clay soils where the region's native grape, the Négrette, thrives. When poured, aromas of fresh, ripe fruit delight the nose. The palate is complex, driven by flavors of black current and blackberry, opening into soft tastes of violet and a hint of liquorice.

The beautiful bouquet and palate of this wine have intensified with age. It's perfect to drink now or save for a special occasion.

Vintification: 15 - 25 days in temperature-controlled tanks at 25 - 28 degrees C

Alcohol: 14% **Varietal:** 70% Négrette, 30% Syrah

Serve: The rich mosaic of flavors make this wine delightful for pairing with a variety of entrées, such as beef dishes, duck breast, blackened shrimp and charcuterie.

Accolades: 95 pts Decanter, 90 pts Wine Enthusiast
