THE GRAZY BOUQUET

Our Grazy bouquet is unlike any other gift you've given. Instead of flowers (which we love too), gift the special someone in your life a meaty bouquet. Comprised of meats, cheese, vegetables, and your loved one's favorite beverage, this showstopping gift will have the receiver talking about their gift for years to come. Instead of looking at their bouquet for a few days, the receiver gets to indulge and share it with their friends.

SMALL

Our small Grazy Bouquet includes:

- Three different types of sausages or salami
- Two types of cheese
- Two types of nuts or crackers
- A variety of vegetables
- A bottle of beer

\$75 each

- Four different types of sausages or salami
- Three types of cheese
- Four types of nuts or crackers
- A variety of vegetable

 - If you would prefer to include a bottle of liquor of your choice instead of the beer, we will gladly incorporate it into your bouquet - the cost of the bottle to be paid by the customer. You can also provide us with the bottle you wish to include.

Starting at \$100 each

Bouquets can be fully customized to include favorite candy, cigars, or any items of your choice. Please reach out to us with any requests. Bouquets can also be made with any non-alcoholic beverages.

WHICH PRODUCT IS RIGHT FOR MY EVENT?

CHARCUTERIE BOARDS

Our charcuterie boards are a hand-crafted arrangement of meats, cheeses, fruit, and antipasti. Each board is uniquely designed to wow your guests.

CHARCUTERIE BOXES

Our charcuterie boxes are the perfect item to bring with on an outing. They are easily transported, designed with the same details as our boards. Perfect to bring along on a picnic, to an event, or just to surprise someone with a little treat!

SPECIALTY BOARDS

Our specialty boards are hand-crafted arrangements of various products designed to standalone at your event, or accompany a charcuterie board. They also include larger boards that serve more people than our charcuterie boards, but not as many as our grazing tables.

GRAZING TABLES

Our grazing tables are designed to be the centerpiece of your event. Allow guests to graze (or nibble) on small bites. There are several packages to choose from, depending on your needs and event budget.
