

Playground Rules

Little Star

Essential Safety & Hygiene Rules

- **Socks Required:** All children and adults must wear socks in the play area to prevent injuries and maintain hygiene. Little Star grip socks are required for all children.
- **Adult Supervision:** Children must be actively supervised by a parent or guardian at all times.
- **No Shoes or Sharp Objects:** Remove shoes, jewelry, hair clips, and items with sharp edges before entering the play structure.
- **No Food or Drink:** Keep food, drinks, and gum outside the play area to avoid choking hazards and keep equipment clean.
- **Health Safety:** Please do not enter if you or your child is feeling unwell.

Playground Behavior Rules

- **Gentle Play:** No pushing, hitting, or roughhousing.
- **One-Way Traffic:** Go down slides' feet-first only and avoid climbing up them.
- **One at a Time:** Limit to one child on slides and in tunnels at once.
- **Be Mindful of Size:** Older children should be respectful of smaller children.
- **Wait Your Turn:** Share equipment and take turns.
- **No running:** Walk to avoid colliding with other guests.
- **No jumping:** Do not jump from play structures.

Safety Rules

- **Age Separation:** Only children 3 and over are allowed on the large play structure and electronic equipment. Children under 3 must be accompanied by an adult.
- **Capacity Limit:** Maximum number allowed is **TBD**.
- **Clothing:** To prevent slide-related injuries, full-length pants are strongly recommended.
- **Safety Check:** Report any malfunctioning equipment to staff immediately

Other Rules

- **Prohibition of Recording and Use of Likeness:** The Facility does not grant permission to film, video, or otherwise record the image or likeness of any employee, staff member, or other participant without explicit written or oral authorization.
