

Accessibility Commitment

Little Star is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to our digital content.

Conformance Status

The Web Content Accessibility Guidelines (WCAG) define requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Little Star strives to maintain conformance with WCAG [2.1 / 2.2] Level AA. We are actively working to ensure our site remains as accessible as possible.

Feedback and Accommodations

We welcome your feedback on the accessibility of Little Star's website. If you experience any difficulty accessing or using our site, or if you need an alternative format for any of our content, please let us know:
