

HEAD PAIN MANAGEMENT

iceless, programmable, drug-free.

ThermaZone uses thermoelectric technology to provide heating and cooling therapy where and when you need it, without the use of ice.

"Ice & heat can be used to lessen the pain of headaches"

~ National Headache Foundation

OVER 9,500 VA PATIENTS HAVE BEEN ISSUED THERMAZONE TO MANAGE HEAD PAIN

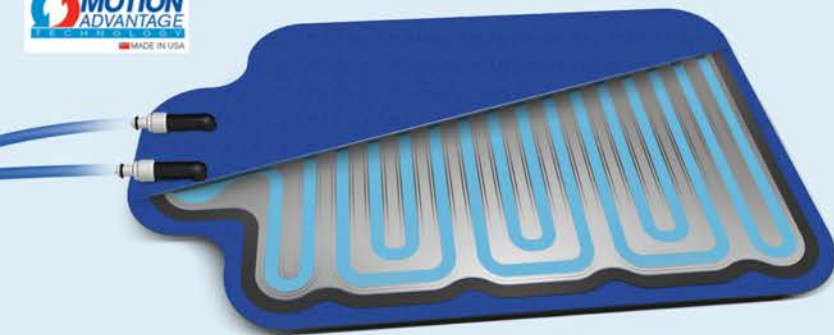

TYPES of PAIN:

- Traumatic Brain Injury (TBI)
- Migraine
- Spinal Cord Injury
- PTSD
- Traumatic Head Injury

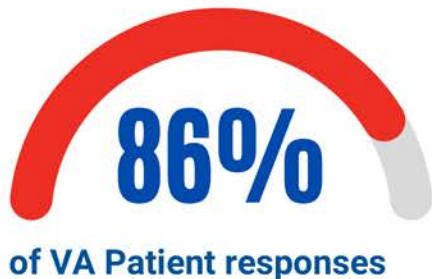

Prescribed by the following medical specialists in 26 clinics:

- Physical Medicine & Rehab
- Neurology
- Spinal Cord Injury (SCI)
- PT/OT

Our pads feature **Motion Advantage™** technology, which leverages precise fluid movement to deliver uniform temperature distribution across the pad's surface for maximum coverage.

THERMAZONE HAS SUPPORTED OVER 30K VETERANS IN MANAGING THEIR HEAD PAIN AND CORRESPONDING COMORBIDITIES

MULTI-USE

Used ThermaZone for head and other orthopedic pain

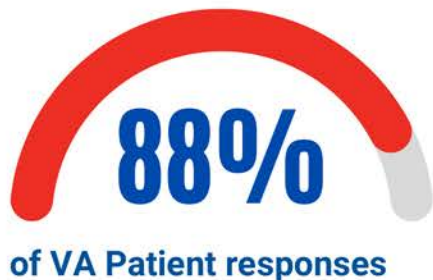

“

I get instant head pain relief with ThermaZone. I use it for my head pain from a TBI and other sore areas of my body. I use the head and back pads with my ThermaZone.

~ K. Ellison

”

OPIOID-FREE

Reduce opioid intake for pain

VERY EASY

Satisfaction on Ease of Use

RELIEF PROVIDED

Satisfaction with relief provided

In the past, I have resorted to prescription pain medications to manage my severe headaches and upper neck pain. With ThermaZone, relief is almost immediate, and without the negative effects of medication. I am extremely satisfied with the device and thankful to the Veteran Affairs Medical Providers for their support in finding alternative methods for treatment.

~ M. Trevino

TEMPERATURE

Satisfaction with time needed to achieve desired temperature

Provided by VA Patients from the 2022 Customer Survey (January-December)

I got my ThermaZone machine from the VA in Amarillo, TX, and use it frequently. It is wonderful for relieving my headaches!

~ Ron Gray
