Distributor

Avenue Mori Medical
Equipment, Inc.

Capability Statement:

The ThermaZone Thermal Therapy System is ideal for virtually any clinical department looking for a drug-free alternative. ThermaZone is an ideal alternative and complement to a prescription medication regimen, and may be particularly useful for those suffering from medication overuse symptoms. Since substance abuse, addiction to pain medications and the side effects that accompany pain medication are a huge concern, alternative interventions are important options for treating our Veterans.

NAICS Codes:

334510 - Electromedical and Electrotherapeutic Apparatus Manufacturing

339112 - Surgical and Medical Instrument Manufacturing

339113 - Surgical Appliance and Supplies Manufacturing

Currently used in over 119+ VA Facilities in many clinical areas, including:
