

North Herts Knights Basketball Club

Child Welfare and Safeguarding Policy

Introduction

North Herts Knights acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance, and complies with best practice and Herts Basketball Association in conjunction with Basketball England requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, or socio-economic background, all children:

- have a positive and enjoyable experience of sport at North Herts Knights Basketball Club in a safe and child-centred environment.
- are protected from abuse whilst participating in North Herts Knights Basketball Club or outside of the activity.

North Herts Knights Basketball Club acknowledges that some children, including disabled children and young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

Safeguarding Commitments

As part of our safeguarding policy North Herts Knights Basketball Club will:

- promote and prioritise the safety and wellbeing of children and young people.
- ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people.
- ensure appropriate action is taken in the event of incidents or concerns of abuse and support is provided to the individual(s) who raise or disclose the concern.
- ensure that confidential, detailed and accurate records of all safeguarding concerns are

maintained and securely stored.

- prevent the employment or deployment of unsuitable individuals.
- ensure robust safeguarding arrangements and procedures are in operation.
- ensure all coaches, parent helpers and committee members who come into regular contact with children from North Herts Knights Basketball Club are Safeguarding Children certificated and have current DBS cover.

The policy and procedures will be widely promoted and are mandatory for everyone involved in North Herts Knights Basketball Club. Failure to comply with the policy and procedures will be addressed without delay and may ultimately result in dismissal or exclusion from the organisation.
