

**BUSINESS IS BUSINESS
&
WE ARE IN BUSINESS TO MAKE MONEY**
THESE TWO ARE SUCH OLD TIME SAYINGS

One thing that **'rich'** business owners have in common is **'a lot of cash'**.

The other thing that they have in common is the **'emptiness in life or spirit'** ...
'you have friends as long as you have money'.

Now that they have made what they have chased after for so many years ...
the question now is why do I feel empty ...I can afford anything?

FULLNESS is not just making **'bank'**. **LIFE** is more than money!

FULLNESS is a **'SENSE OF COMPLETENESS.**

There is more to business and life than just cash.

Ask yourself **'can I have both cash and completeness at the same time'?**
THE ANSWER IS ...**YES!**
