The Feature Film That Exposes the System Behind the Music

Radioman is a high-energy, truth-driven cinematic story about a man, James De La Raza, who lived through major evolutions of modern music with his secret weapon and best friend, Richard Garcia, confronting the hidden forces, cultural battles, and industry power plays that shaped what the world hears today.

Produced by:
Hollywood New York International
Ironbound Film & TV Studios

Producers:
Lucky Goldberg
James De La Raza
Richard Garcia
