Thank you for choosing to adopt from Innocent Paws Puppy Rescue! In adopting your new family member, know that you are embarking on a long term (10-15 year) commitment to the care of this animal.

By adopting an animal from Innocent Paws Puppy Rescue you accept the responsibility for his/her lifetime and agree to the following commitments: (Please read and initial next to each commitment.)

___ If I am adopting a puppy who has not yet been fully vaccinated (at least three Distemper/Parvovirus vaccines **and** a Rabies vaccine) I agree to not take the puppy to areas where s/he could be inadvertently exposed to diseases s/he is not yet fully vaccinated against including but not limited to dog parks, open spaces, and/or walking through stores.

___ I agree to provide the Dog with a well-balanced diet, sufficient water and all necessary veterinary care including vaccinations and annual physical examinations.

___ I will have this pet immunized and examined by a licensed veterinarian per their recommended intervals at my own expense, and will obtain medical aid at once if this animal becomes injured or unhealthy.

___ I will not sell, give away, abandon, relinquish to a shelter, or use the animal for purposes of fighting in any form and/or at any time.

___ The Dog will NEVER be tied up on your property or elsewhere. As the adopter, I understand that restraining a dog by tying it to a fixed post or wire run is unsafe and may cause theft of the pup, unpredictable behavior, and random aggression.

___ I will not leave the dog crated and/or otherwise confined for extended periods of time (more than 5 hours).

___ In the event my pet becomes lost, I will notify the nearest animal control agency/shelter immediately for their assistance. I will also contact Innocent Paws Puppy Rescue regarding the loss and I will make every effort to locate my pup.

___ I will abide by the laws protecting my new pet such as licensing, rabies vaccinations, and leashing when in public.

___ I will abide by all state and local ordinances regarding safety and care of the pet. Failure to comply with said ordinances will give Innocent Paws Puppy Rescue the right to take possession of the animal.

___ I understand all adoption fees paid to Innocent Paws Puppy Rescue are fees to help cover costs and services for caring for the animals in the rescue's care and are **not refundable**.

___ I understand that while all precautions have been taken to rid this animal of worms, parasites, and other illnesses, and s/he has been vaccinated age appropriately, adoption comes with the inherent risk that health issues can arise despite the rescues best efforts to prevent such

issues. As the adopter, I am responsible for any and all health issues that arise after receipt of this animal.

____ Innocent Paws Puppy Rescue makes no warranties regarding the temperament, behavior, or physical condition of this dog nor guarantees it free of genetic defects. I hold harmless and indemnify Innocent Paws Puppy Rescue from all claims, demands, action, causes of action, or liability of any kind whatsoever arising out of or in connection with this adoption.

____ I understand that this animal may have been exposed to infectious diseases for which symptoms are not apparent or detectable at the time of adoption. I assume full financial responsibility for any and all possible health conditions, existing or acquired.

____ I understand that any description of breed is a guess and if I wish to have the pup's genetics tested I do so at my own cost.

____ I understand that the cost of any veterinary care following adoption is entirely my responsibility.

____ In the event that this dog needs to be rehomed, I will contact Innocent Paws Puppy Rescue to make arrangements for returning the dog to the rescue, understanding that I forfeit my adoption fee. I understand that the dog may only be returned to the rescue if the rescue has an available foster to care for the pup. In the event no foster is available I agree to foster until such time that a foster or new adopter becomes available.

____ I understand that it is my responsibility to provide proper training to my dog and will undergo professional training to address behaviors I'm not able to mitigate on my own.

____ I understand that Innocent Paws Puppy Rescue's pups are spayed or neutered prior to adoption but exceptions are made if the pup's life or health would be adversely affected according to a licensed veterinarian.

____ I confirm that all information given in this contract is correct and accurate. I also understand that once the contract is signed and I have taken possession of the animal, I will be solely responsible for any actions of this animal and I agree to hold harmless Innocent Paws Puppy Rescue and its representatives from any liabilities, injuries or loss caused by this animal or any causes of actions, claims, suits or demands that arise from such injury, damages or losses.
