“Bringing LIFE To Living Spaces!”

NuHome Alliance Group and its staff exists to introduce our clients to a new way to live, relax and breathe in a more Eco-friendly environment. With over 25 years experience, we are proud to bring out the best in our client's 'LIVING' spaces with Earth friendly residential and commercial service choices for better health and well-being. We help our clients better their atmosphere and their lives. Welcome to our world- the world of PREMIUM GRADE Green Cleaning and Property Preservation Services.

Our All In One SUPERIOR Services

We effortlessly provide affordable, professional residential and commercial services across various platforms and possess a far larger services listing to give our clients more for their money.

NHA Group and its staff provide the services encompassed in one company-- which would match the hiring of at least three or more separate companies-- in an affordable, packaged price. We are known to be a one-stop shop for lifestyle enthusiasts, real estate companies, commercial property management, care facilities, and homeowners alike.

Natural Is ALWAYS Better

Our products, services, teachings and techniques are high-quality, Eco-friendly and safe for everyone of any age- including pets. WE ARE reducing harmful chemicals that may be endangering our family, pets, friends and clients who trust us to clean and maintain a property for them. It is TOTALLY possible to enjoy life without harsh chemicals, preservatives, fillers, synthetic fragrances, artificial colors and toxins.

We Are RESULT Owned & Driven

We work tirelessly in helping to MASSIVELY reduce, and in many cases, we successfully eliminate the amount of allergens and bacteria in an enclosed environment.

We ONLY provide PREMIUM GRADE green cleaning and maintenance services - nothing less than the best and above average for our clients! We reward our clients for making us their first choice by providing them with cleaning and property preservation services that are equal, if not better, than the best Eco-friendly cleaning and maintenance services available to them.

Our Coverage & Services Scope

We are proud to offer **PREMIUM GRADE** 'GREEN' cleaning and property preservation services and are on call for you- 24 hours a day, 7 days a week for:

Residential, REO, and privately owned properties,
Recreational facilities, schools, colleges, and universities,
