We are thrilled to welcome 2 new Board members

SPOTLIGHT ON STREETLIGHTS

We are making plans to keep our streets well-lit for everyone's safety. We need another homeowner to join us on the Streetlight Replacement Committee. This will be an on-going group that will meet every other month, or as needed, to assess and plan for repairing or replacing our streetlights.

Please contact Rich Falzone at richfalz@gmail.com if you would like to join this important neighborhood committee.
The street you light might be your own!
