OVERVIEW: OUR WHY

On behalf of our Senior Bishop Emeritus, Board of Trustees, and the entire leadership team welcome to Triumph Church's Second Annual Community Gathering! This is an exciting time in Triumph Church's history, and we are glad to share this journey with you.

Since 1904, when our Founder, Father Elias Dempsey Smith began this ministry Triumph Church has labored to spread the *'Everlasting Gospel'* (Revelations 14:6) throughout this nation and world. We continue to hold in our consciousness the prophesy written in scripture:

And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. Behold, I make all things new. Revelations 21:1-5

Triumph Church's vision is of a new world system where heaven and earth are one. So that the 'Christ' (Universal Principle of Life) lives in us, through us, and as us. The mission of Triumph Church is to interactively encourage and challenge each other to make a meaningful impact on the lives of people in our communities. We strive to be the change we envision for our world.

Someone may ask, *'How can such a small group of seemingly insignificant people make any impact on the world?'* Excellent question! Change always begins as a seed of thought in the consciousness of the embodied Christ, which each one of us has the potential to become.

Supporting one another on our journey of spiritual awakening as we become the 'Christ' in the world is our task. This is not an easy one; however, it is our 'divine' purpose and mission on this earth to call all of creation back to the place of love, harmony, peace, and joy in the fullness of life. This, my friend, is the work and process of salvation.

In a world encapsulated in seemingly unending chaos, conflict, hatred and war, sickness and disease, poverty, and gross economic inequality with ever-increasing isolation from one another, is salvation possible? Triumph Church's response is a resounding YES! Not only is it possible it is happening right now even as we look around and see so much despair. Don't miss the change occurring right in front of you. The old is passing away and like the dawning of a new day, a new world is slowly emerging on the horizon.

This new world is emerging simultaneously as the new earthly system and a new spiritual consciousness. The manifestation of this new system and consciousness is the oneness of all of creation; compassion and equanimity, love and justice, peace and freedom, and unity in diversity. My friends this is the manifestation of the *Beloved Community*. The Kingdom of God that Jesus of Nazareth taught his disciples about when he said:

"...neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you."
Luke 17:21

Triumph's mission although spiritual at its core is the basis for living a fulfilled and God-breathed life in the here and now when practicing these timeless principles for practical living.

OVERVIEW: OUR WHAT

In these changing and challenging times, Triumph like other churches was impacted by the pandemic that hit in March 2020. Yes, we too were caught off guard and had to pivot quickly to sustain the message, ministry, and mission. We closed our doors to the public on March 8, 2020, and two weeks later on March 22, 2020, we opened our services in the virtual world.

Since then, we have produced without missing a beat over 125 live virtual Sunday gatherings on Facebook via ZOOM. In addition, our team produced more than 10 special events during the week and weekends with special guest speakers and musicians on Facebook live via ZOOM. And further, TEAM Triumph produced four bi-annual conferences in the virtual space and on ZOOM. And on top of this, our TEAM produced and published 6 quarterly e-newsletters with a circulation of over 300. Wow!!!

We have increased our global footprint to include, Nigeria, Ghana, South Africa, Uganda, France, Brazil, Ethiopia, Kenya, Malaysia, Swaziland, and the United Kingdom. These are places we would have never reached had it not been for our leadership vision to move to the virtual space rather than hibernate during the pandemic.

But we didn't stop there. We have continued to foster our compassionate care ministry by providing spiritual assistance through prayer and comforting those who were sick or lost a loved one. We provided financial assistance to people in our communities who were financially devastated by the pandemic with direct assistance to some who were housing and food insecure; to women and children in domestic violence crisis; and in collective support of our youth through community donations.

For the first time in the history of Triumph Church, we opened a mission on foreign soil; our Nigerian Mission was commissioned in August 2021 with Minister Obinna Jason Anyanwu as the lead minister. The Nigerian mission is actively engaged in compassionate care and community outreach; and Minister Obinna holds bi-monthly in-person gatherings to reach, teach and train new members and leaders. With the help of God, and our support the Nigerian Mission will continue to flourish and reach souls for the Kingdom of God here on earth.

Another first in the history of Triumph Church, we are producing our original music with the first single being released this Friday, August 5, 2020! The music will be available on platforms such as Amazon, Spotify, YouTube, Apple Music, and many others. This project includes musicians from all over the world with the unique life-affirming message of Triumph Church of unity, love, and acceptance of all. To God be the Glory!

OVERVIEW: WHAT'S NEXT?

With the help of God, there is no stopping us now! We are embarking on major building renovations of our headquarters church in Newark, NJ. This is more than a facelift - we are launching a new ministry and mission at the location. This project has been some time in the making and will take some time to complete but here at Triumph Church we begin with the end in mind.

The newly renovated facility will be a community hub for our youth, and a place for artists and musicians to hone their talents and gather in a safe and sacred space to collaborate and showcase their gifts. And a place for other ministries to connect up and support one another. We will also offer a place for learning and practicing spiritual tools such as meditation, yoga, Tai Chi, and others. We will continue to offer both traditional and non-traditional religious services so we will have a place for everyone.

In 2022 we are looking to reopen our Brooklyn location for in-person gatherings and other community enrichment activities. We will maintain our social media presence in the virtual world as we also continue expanding our global footprint into other regions of the world.

OVERVIEW: HERE'S HOW YOU CAN GET INVOLVED...

You would not be at this conference unless you were divinely drawn to this place at this time. Consider, what your life's purpose and calling are and how you can offer your unique gifts in the service of our God, humanity, and our planet. Carefully consider becoming a volunteer, a member and ministry leader, and a teacher here in Triumph.

Humanity needs your unique gifts and service!
