

PMC FEDERAL CREDIT UNION

PMC Federal Credit Union's 48th Annual Meeting

Each year, we invite our members and staff to gather and reflect upon the previous year's activities. We will review the financial state of the credit union and hear from our Manager/Financial Officer, Annette Frailey and Members of the Board.

Due to the continued Pandemic, we will be conducting our Annual Meeting virtually. Members will have the opportunity to join the meeting by video conference from their personal device, or by dialing into a conference line via phone. Instructions on how to participate will be sent to you via email.

Respond to this email for login information!!

We hope to see you online in order to provide you with our credit union status and plans for continued growth in 2022!
