

New old stock. Obsolete, scarce and odd parts for sale. Help us find a home for these old, but unused parts. If you are interested in purchasing one or more of these items, please call the Harmony Hearth and Home store at (307) 638-4543 or e-mail Parts@harmonyheat.com and let us know which part(s) you are interested in. Additional parts will be added to this list as they are inventoried and identified, so please check back. You may also contact us with inquiries about a part that you need. It is possible that we have it in our large inventory of parts that are not on our regular parts inventory. Prices are negotiable.

All information given is garnered from the item and/or its packaging. No warranty is offered or implied for either the item itself or the information presented about it. Items are warranted to be in new or 'as new' condition, although the packaging, if any may be damaged. Please remember that these parts have been sitting in a warehouse for years, and in some cases, for decades and may not look new. No part will be sold that has previously been installed for any application. All sales are final.
