

Dart, Glenda #253 *

Honoured by her loving family.

Born October 29th, 1939 in Nakina, Ontario, to parents Marion and Heimo Dart, Glenda went on to graduate as a nurse in 1960 and then spent the next forty years employed in the maternity department at North Bay's St. Joseph's General Hospital.

Though she never had children of her own, she was a compassionate care-giver to a multitude of new mothers and their little arrivals over those many years of service. In her retirement years, Glenda enjoyed being with her family and travelling with friends. She was an active member of the Ladies' Auxiliary, Branch 23 North Bay; the North Bay Golden Age Club and volunteered at the North Bay Regional Health Centre until her passing on December 27th, 2013.
