

## Corbeil, Rene (Eli) #75

#1 Welder/Fabricator

Thank you Rene (Eli) for the firsts:

My first home.

My first child.

My first car.

My first farm.

My first horse.

Challenging me.

Lessons learned.

Teaching me.

Thank you for being that strong, determined, hardworking, loving man you've always been in my life. Sometimes testing, sometimes stubborn but always strong and never giving up the fight.
