# OUTFIT GUIDELINES

## For Baby (Newborn):

I have variety of outfits to choose from.

Please bring your baby in a well fitting white plain bodysuit .

## For Mum:

I have a selection of beautiful, timeless dresses for you to choose from. if you prefer to bring your own, such as white ,neutral soft pastels or light denim work best.

If you currently have nail polish on, ensure it is either freshly applied or completely removed.

## Wardrobe Preparation

Undergarments: Please bring neutral(skin-colored) undergarments to ensure a seamless look under the dress provided.

## For Dad:

Please wear a white or oat or neutral or grey . This can be paired with light denim jeans or neutral-colored pants for a clean, coordinated look.

If you wear glasses, keep in mind that glare may occur and cannot always be removed in editing.

## For Sibling:

white or oat or neutral

## Additional Tips

Feeding: Try to feed your baby just before the session to ensure they are full and content.

Pacifier: If your baby uses a pacifier, please bring it along. It can be a great comfort during the session.
