We are proud to create value
through efficient sourcing that
ensures our clients the best
prices by minimising
middlemen in the supply chain.

From the same source in
Panjshir Afghanistan, our
beautifully green emeralds
range from transparent to
translucent and come in sizes
from 1 to 10 carats. Treated
with only minimal oil.

We proudly ensure the
authenticity of our gems,
certified by the best gem labs
in the world.
