About Heart for the Arts

Heart for the Arts is a multi-talented group of singers and artists who aspire to use their talents and gifts to inspire others to love Christ through the arts. We are committed to pursuing excellence and honoring God with our talents while remaining a family oriented organization dedicated to community and having fun!

Heart for the Arts Choir is the foundational group of what we hope will become one of many different performing opportunities. We are a welcoming group of singers who love people and have a passion for our faith!

Heart for the Arts Studio Arts is our newest addition, giving visual artists a place to come together to worship through their creative projects and share their faith with the community through the art they make.

For more information or to join HFA for future performances or creative activities visit our website at heartforthearts.org.
