About Heart for the Arts

Heart for the Arts Community Choir is the foundational group of what we hope will become one of many different performing opportunities. We are a welcoming group of singers who love people and have a passion for our faith. We aspire to use our talents and gifts to bring others to God and to inspire others to love Christ through the arts. We are committed to pursuing excellence and honoring God with our talents while remaining a family oriented organization dedicated to community and having fun!
