

Athletes, Coaches, Staff & Volunteers,

Every person working, attending or volunteering at Showtime College Bound Camp at Flip Fest must read, agree to, understand and sign the follow form prior to attending camp.

### **Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19:**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies have made recommendations regarding best practices for businesses in regards to Covid-19. Showtime College Bound Camp & Flip Fest (henceforth, the Camp), have put in place preventative measures to help reduce the spread of COVID-19 (See Below):

#### **Preventative Measures:**

Please know for the fall of 2021 we will be operating camp at its normal capacity and will NOT be limiting enrollment. We are encouraging all of those who are eligible (individuals ages 12 years and older), and are willing, to get one of the COVID-19 vaccinations. We are not requiring vaccinations however it is our hope that everyone who is willing to get a vaccine, and eligible to receive it, does so prior to attending camp.

#### **Cleaning and Disinfecting:**

- Campers will be required to wash or sanitize hands throughout the day and specifically when exiting/entering buildings and prior to meals.
- We ask each camper to bring his/her own small bottle or spray bottle of hand sanitizer (minimum 60% alcohol). They will be able to refill it here at camp as many times as needed for free.

#### **Other:**

- Campers and staff will not be required to wear masks, but are encouraged to do so, should they choose to. We will have masks available and will support anyone wearing them that would like.
- Should a camper or staff come down with symptoms of Covid-19, including a temperature of 100.4 or above, he/she will be quarantined immediately and arrangements will be made for him/her to be picked up. Should your child be sent home early from camp because of this reason, you will receive a prorated refund for the remainder of their weekend.

Lastly, the CDC has identified a list of pre-existing conditions that can lead to a greater risk of serious complications from Covid-19. Although this risk still may be small, we are asking that any campers or staff with any of the conditions listed on the [CDC Website](#), who are not vaccinated, or if your child will return home from camp to someone in your household who is in one of these higher risk categories and is not vaccinated, to please take this weekend off from camp. If you need to, please contact us to discuss, as we want to do what's best for you and your child.

No matter what precautions that are taken, the Camp cannot guarantee that you, your child(ren) or gymnasts will not become exposed or infected with COVID-19. We feel this is a positive setting to have a safe and fun camp. Our families will be here this fall, right along with yours. Please keep in mind, that no situation is perfect, and ultimately, you all need to make your own decision and feel comfortable sending your child to camp. Please do your own due diligence and know we respect every one of you and whatever you choose to do.

By signing this agreement, I acknowledge the contagious nature and risks of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending the Camp and/or entering the Camp premises, and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Camp may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Camp employees, volunteers, and program participants and their families. I hereby release, covenant not to sue, discharge, and hold harmless the Camp, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or related to Covid-19. I understand and agree that this release includes any Claims based on the actions, omissions, of the camp, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Camp program.
