For the Dec '23 show 547 (306 / 241).
 - The numbers for 12 hourly door prize tickets were announced during the show (6 on Friday & 6 on Saturday). 3 of the hourly door prizes were claimed on Friday and 0 were claimed on Saturday.
For the May '24 show (2 / 2).
For the Dec '23 show, (2 / 1).
 - 2,179 postcards mailed; 216 were returned by attendees at the registration table.
For the May '24 show, 176.
For the Dec '23 show, 204.
- The grand prize (an American Silver Eagle) was awarded to an attendee from Smyrna, TN. 35 postcards were returned as undeliverable.
- For the May '24 show, 44
For the Dec '23 show, 20
- 331 registration table giveaway coin envelopes were distributed to attendees during the show.

• For the December 2024 show:	May 2024	Dec 2023
Total revenue	\$ 9,975.00	\$10,312.00
Total expenses	<u>8,085.38</u>	<u>6,981.10</u>
Net profit	<u>\$ 1,889.62</u>	<u>\$ 3,451.90</u>

- The reasons for the decline in net profit from the May 2024 show were:
 1. Costs to print flyers and postcards at Fed Ex more than doubled from \$257 up to \$574 (increase of \$317).
 2. Cost to rent the gymnasium (+ misc. charges) increased from \$1,612 to \$2,193 (increase of \$581).
 3. Postage expense increased about \$100.
 4. Dealer table rents collected were down about \$350. I am trying to collect \$650 of delinquent dealer table fees for the Dec '24 show.
- For the upcoming May 2025 show, we have already collected \$3,185.00 in table rentals from 19 dealers.
- There were 3 no-shows at the Dec 2024 show. One had a medical condition requiring hospitalization (Gonzalez); one had a spouse who was in an auto accident (Mason); and one had a family emergency at the last minute (Dooley). Each dealer prepaid their table fee and are eligible to roll over their prepayment to the May '25 show.
- The P.A. system at the Gallatin Civic Center was down throughout our Dec '24 show. On Friday, I announced the hourly door prize winners on a separate P.A. system in the gymnasium. On Saturday, I had to stand in the center of the gymnasium and shout out the winning numbers since the P.A. system in the gymnasium no longer worked.

Nash Public Library - Donation Feedback

To Chris Sollmann <crsollmann@aol.com> • Dave Osborn LAST_NAME <huskydad94@comcast.net>

Chris and Dave,

Hope you two are staying cool and having a decent week so far. I've started talking to the Nashville Public Library about a book donation, per the conversations at our last meeting. Here's what I've gathered:

- I told them we were interested in purchasing the Red Book Coin Guides series (https://whitman.com/red-book-series/?srsltid=AfmBOoqBW2nzwdjFIYkTdon1KZ8VF_vSX64r1qI3zTxsMYOJNWLmpQlw), but that we hadn't figured out which in the series to purchase.
- The library would love to have whichever of the Red Book guides we send.
- Regarding popularity, they noted that US Coins are more popular than US paper money, and that international coins and paper currency are also popular requests.
- Anything purchased needs to be shipped to us, and then we take the materials to Noel Rutherford, Materials Services Manager
- They'd need 9 copies of whatever we'd donate, this is for distribution at the larger regional locations and the main library location
- For the acknowledgement stickers, we're free to design our own. Verbaige needs to be approved by the library first and they'll place them on the inside covers once the books are placed in service.
- Donations are accepted on a rolling basis.

For next steps, we'll need to decide specifically which books to purchase and then price our 9 or 10 sets.

Mike
(703) 909-8982

P.S. Separately, I've also asked them to connect me with a research librarian who can help pull information about the history of the Coin Club. No movement on that yet, but I'll keep you posted.
