TREASURER'S REPORT - Balance \$ 2,129.74

Scott Weaver reported that the club spent \$14 on a small memorial for Tommy Davidson displayed at the December Gallatin Coin Show.

DOOR PRIZE #1 WON BY Keith Sykes (1857 Flying Eagle Cent)

DOOR PRIZE #2 WON BY Terry Hess (Three Cent Nickel)

OLD BUSINESS: The preliminary financial results from the December Gallatin Coin Show were:

Revenue: \$6,420.00; Expenses; \$4,467.48; Net Income: \$1,952.52 .

Revenue was up, Expenses were down a little, and Net Income was up.

One bad check in the amount of \$240.00 was received from a dealer. That dealer has stated he will reimburse Jim Viken for that amount.

During the Gallatin Coin Show, there was a door open on the side of the gymnasium. Several people were entering the gymnasium through this side door and bypassing the registration table. This was brought to the attention of the law enforcement officer present and he did close and lock that side door.

NEW BUSINESS: Scott Weaver discussed the door prizes planned for future meetings. He estimates that between \$40 - \$50 worth of prizes will be awarded per month and he asked for flexibility in choosing prize values.

Hello Everyone

Our club President, Jim, has asked that I send this message out to everyone. Since we don't have an email for all members, please pass this information along to anyone that you see. If anyone needs any additional clarification, reach out to Jim 615-339-4068 or Scott 520-990-3026.

To all Nashville Coin Club members -

Many of you already know our meeting room in Trevecca Towers is unavailable to us due to renovations being done there. My communications with people there were at first encouraging that we would be allowed to use a similar room in the other tower building. But then higher ups in the corporate structure

of the new ownership got involved. They say liability concerns about non-resident access to the building is a risk they can't take. We may not ever be allowed to use their facility again.

Now the good news. The previous owner of Trevecca Towers, Ron Jones, has generously offered to let us use a room in a building on Trevecca property he still owns. It is the Trevecca Annex building at 76 Hart St. which we go around to get to the tower we have been using. Parking will be in the same place as we are used to, on Hart St. and in the parking lot across from the building.

Now the problem. The room is not available on any Tuesday. We will schedule our Feb. meeting for Monday, Feb. 3rd at the regular time of 7pm and as usual people can start arriving as early as 6 pm. It is a two story building with large glass windows and door in the middle and same size windows directly above and our meeting room is on the 2nd floor.

This will be an important meeting to discuss the possibility of using this facility permanently and changing our meeting schedule to Mondays. Elections of officers will be held also. Other business anyone wants to bring up is also welcome.

Please attend if at all possible. Thanks, Jim Viken

OLD BUSINESS:

NEW BUSINESS:

Dave Osborn suggested that the club members present discuss whether we should give the Hendersonville Coin Club any money (as we did last year) from the profits of the last Gallatin Coin Show held in December 2019. The only member of the Hendersonville Club (who is not also a member of the Nashville Club) sat at the registration table for awhile on Saturday. We were noticeably short of manpower when the setup for the show on Thursday took place. After a short discussion, a motion was made to give the Hendersonville Club \$30.00 for their participation in the Gallatin Coin Show. The motion was seconded and passed.

Scott Weaver suggested that the Nashville Coin Club meetings be moved to the second Monday of every month to avoid holidays such as the July 4th,

Labor Day and New Year's Day. A motion was made, seconded and passed by a vote of 6 to 5.

Another motion was made to hold the Nashville Coin Club meetings on the first Monday of the month until July 2020. The motion was seconded and passed.

A motion was made to hold all future meetings at the new location at 70 Hart Street on the Trevecca University campus. The motion was seconded and passed.

Jeff Gallup volunteered to speak to the owner of the building at 70 Hart Street to inform him of what the Club decided to do with regard to the timing and location of our future meetings.

Jim Viken asked for an annual election to be held for the purpose of choosing club officers for the 2020 calendar year. An inquiry was made as to whether anyone who is not already an officer wanted to become one and whether any presiding officer wanted to step down and not serve for the 2020 year. It was decided that each officer will serve another 1 year term in their present positions.

DOOR PRIZE #2 WON BY Howard Thornton (1929-D Walk Lib. 50C)

DOOR PRIZE #3 WON BY Jean Johnson (1918-S Walk Lib. 50C)

OLD BUSINESS: As mentioned in the 2/3/20 minutes, it was decided that the Nashville Coin Club would give \$30.00 to the Hendersonville Coin Club in appreciation for their participation in the administration of the Gallatin Coin Show in Dec. '19. To that end, Jim Viken gave Dave Osborn \$30.00 from the club treasury to give to the Hendersonville Coin Club at their next regularly scheduled meeting (3/16/20).

The Hendersonville Coin Club meeting was not held on 3/16/20 due to the venue (Park Place Retirement Center) being locked down for coronavirus prevention.

DOOR PRIZE #1 WON BY Sam Johnson (1876 Seated Liberty Quarter)

DOOR PRIZE #2 WON BY Jeff Gallup (Morgan Silver Dollar)

DOOR PRIZE #3 WON BY Mason Rowe (1964 Kennedy Half Dollar)

OLD BUSINESS: Jim Viken discussed the May Gallatin Coin Show that was cancelled due to our venue (the Gallatin Civic Center) closing its doors during the COVID-19 outbreak. Most (if not all) of the payments received from dealers were rolled over to the December show, which will be held contingent on the civic center being open for business at that time.

Expenses incurred for the May Gallatin Coin Show included leaflets and postage for mailing contracts to dealers. Normally, the Gallatin Coin Show earns a profit of between \$1,000 and \$1,500 per show.

NEW BUSINESS: Jim Viken and Scott Weaver discussed local banks that would accept rolls of coins and allow you to buy rolls of coins. Occasionally, if you purchase rolls of coins, they give you machine-wrapped rolls of 2019 or 2020 coins that have no current value above face value. Other times, local banks may give you circulated rolls that have some "finds" in them. Scott Weaver mentioned finding a shield nickel recently. Finally, some local banks will not allow you to purchase rolls of coins unless you are a business owner needing coins for cash transactions.

REPORTS OR PRESENTATIONS (if any):

ANY OTHER BUSINESS: An auction was held with about five different members having coins for sale. The club received \$2.00 from the auction.

DOOR PRIZE #1 WON BY Jim Viken (Ike Dollar Proof)

DOOR PRIZE #2 WON BY Ken Lovell (Ike Dollar Proof)

DOOR PRIZE #3 WON BY Steven Meyer (Ike Dollar Proof)

OLD BUSINESS:

NEW BUSINESS: Jim Viken informed the club of a \$5 ANA annual membership for new members.

These days, coin shows are few and far between. The upcoming Pittsburgh ANA coin show has now been cancelled. There is one coin show to be held in Las Vegas (July) with dealers spaced far apart and only a limited number of people allowed to be on the floor at any one time. To date, no flyers have been printed for our own December coin show --- first, we don't know if the Civic Center will even be open in December and there is no public place open to place the flyers in for people to pick them up!

Steven Meyer mentioned that production at the U.S. mints is down and there is currently a coin shortage. This may bring the day the mint stops making pennies closer. Canada stopped making pennies in 2012 and started melting down an estimated 35 billion pennies in circulation in 2013.

OLD BUSINESS: Jim Viken stated that any individual club member still had time to take advantage of the \$5.00 ANA membership special announced at our July meeting.

NEW BUSINESS: Jim Viken mentioned that past-president, Jeff Clark, has retired from his dentistry practice but will not be attending our meetings due to his wife's illness and the ongoing social distancing requirements of COVID-19.

Scott Weaver inquired about whether our next meeting should be held on Labor Day (9-7-20) or on the following Monday (9-14-20). It was decided by vote to have our next meeting on Labor Day (9-7-20).

OLD BUSINESS: \_\_\_\_\_

NEW BUSINESS: The \_\_\_\_\_ Coin Show was held on \_\_\_\_\_.

Some COVID-19 precautions were in place. All dealers wore masks and had to have their temperature taken each time they entered the auditorium. About 90% of the customers were wearing masks. Masks and Sanitizer were available to everyone at the registration desk.

The show had normal attendance of both customers and dealers. There was no adjustment of the floor plan.

Regarding the upcoming scheduled Gallatin Coin Show, the Civic Center is currently open with restrictions. They have already cancelled a November event. Jim Viken stated it would be October or November before decision is made to go forward with the show.

NEW BUSINESS: whether or not the Chattanooga Coin Show (scheduled for \_\_\_\_\_) will be held is still to be determined.

REPORTS OR PRESENTATIONS: Jim Viken told us about a 1952 Proof Jefferson nickel he recently acquired with a variety in the "S" of TRUST.

ANY OTHER BUSINESS: An auction was held. \$2.90 from the auction was donated to the club.

**NEW MEETING LOCATION.** I'd about given up on the HCC ever getting back into Park Place Retirement Center. In the meantime, Fred Davis has found us a place to meet. His son-in-law owns a business **off Saundersville Road at 1016 Laverne Circle in Hendersonville.** It has a conference room with room for our usual attendance, pus Fred will bring in a small table for our auction items. The business is not occupied at night and there is access to a restroom.

Here are the directions from Gallatin Pike (Nashville Highway)...

- From Gallatin Pike, take Saundersville Road past the 2 gas stations, over the railroad tracks and under Vietnam Veterans Parkway.
- Bear Right under Vietnam Veterans.
- Take the first right, which is Avondale Drive.
- Continue on Avondale about 1 mile to Laverne Circle on the Left and turn Left.
- Drive about ½ mile to 1016 Laverne Circle on the Right. This is the 3<sup>rd</sup> building on the right after turning Left onto Laverne Circle.
- The building is a 2-story red brick structure with tall skinny windows.
- The building has a *door with the street number 1016 on it.* There is also a mailbox right as you come up to the building with 1016 on it.
- If you see Jen-Hill Company on your left, you've gone too far.

OLD BUSINESS:

NEW BUSINESS: Sam Johnson mentioned that, according to a recent article in The Numismatist, the ANA was having financial problems.

The Knoxville Monthly Coin Show will be held on Sat. November 7th. The TSNS Coin Show will be held on Fri. Nov. 13th - Sun. Nov. 15th in East Ridge, TN. Jim Viken asked if anyone planning to attend the TSNS Coin Show would take some Gallatin Coin Show flyers to distribute. Also, anyone planning to attend the coin show should check the website to see if the show may have been cancelled due to COVID-19.

The coin shortage is still on. Some stores are asking for exact change. Fed Chair Jerome H. Powell said in a Wednesday, June 20, 2020 hearing before the House Financial Services Committee that the Fed has been working with the U.S. Mint and reserve banks to fix the temporary issue.

DOOR PRIZE #4 WON BY Jeff Gallup

**OLD BUSINESS:** Jim Viken stated that there was no news about the December Gallatin Coin Show. There have been no rentals of space at the Gallatin Civic Center in recent months.

The TSNS Show in East Ridge, TN will be held. Also, there will be a coin show in Evansville, IN during the month of November.

**NEW BUSINESS:** Jim Viken mentioned that a record \$4.2M was paid at auction for a denarius of BRUTUS dated 42 B.C., depicting the Ides of March (EID - MAR) on its reverse. March 15th, 44 B.C. was the date Julius Caesar was assassinated.

A silver eagle was recently issued with a privy mark depicting the Allied victory during WWII.

Jim Viken announced that we would have Christmas Dinner at our Dec. 7th meeting. Jean Johnson said that she would furnish a variety of entrees' for

the dinner and asked if someone would be available to carry the food from her car to the meeting hall. Several members volunteered to do that.

Jim Viken suggested that the club donate \$100 to Ron Jones (the owner of the bldg. in which we hold our meetings), or donate the money to a charity of his choice. Also, we should invite him to attend our Christmas dinner. Either Jim or Jeff Gallup will contact Mr. Jones and arrange something along these lines.
