This year the WJFL would like to dedicate the 2021 Field Day Program to Chad Martin. Chad passed away unexpectedly due to complications of COVID-19. He leaves behind his wife and two sons. The WJFL would like to extend their deepest condolences to the Martin family.

Chad first entered the WJFL as a youngster, playing for the Greenwood Knights. Chad immediately fell in love with football, quickly developing that love into a passion. He continued playing football in high school for the Whitmer Panthers. Not wanting to walk away from the game that had taught him so much, Chad then turned to coaching. He has coached with the Greenwood Knights, the Bedford T-Birds and the Wernert Wildcats.

Chad was known as an innovator of youth football, always pushing the limits of the young minds that he helped mold. Chad provided over 23 years of dedication to the youth of the WJFL, 19 years coaching simply for the passion of the game, before he was able to realize the dream of coaching his own boys. His wisdom, guidance and experience will be truly missed. His legacy will live on through all of the young men that he had the privilege to impact.

We love and miss you Coach Chad #58.

RICHARD HUFFER SCHOLAR ATHLETE AWARD

This award is being given to honor Richard Huffer's 40 years of service to the Washington Junior Football League. This award will be given annually to a player selected by the award committee.

- Each Area Head Coach will submit at least one player's name for consideration by the committee.
- The player must have had a B (3.0) or higher average in the previous school year.
- The player must have at least a B (3.0) average at the time of the grade check that will accompany the player's recommendation.

Each nominee will need three recommendations: 1 coach, 1 teacher and 1 community member for character reference.

2019 RECIPIENT

DYLAN JARRETT

First off I would like to say that I am very honored to achieve the Richard Huffer Scholar Athlete Award. I am honored to be recognized for my hard work and dedication both on the field and in the classroom. However, I could not have done it without my parent's support and my team always trying to help me get better as a student. Most of all, I want to thank my coaches. They were always going out of their way for me and were always giving me tips and advice to help me improve. I truly appreciate everyone who helped me achieve this award and I could not have done it alone.

DALE SCHEIDERER MEMORIAL AWARD

The Dale Scheiderer Memorial Award is again being given to honor the outstanding 12 year old player in the Washington Junior Football League. The young man chosen for this award has been selected by the head coaches of the WJFL and is based on his leadership and playing ability. The award is given in memory of Dale Scheiderer by his many friends and the Commissioners, Officers and Coaches of the Washington Junior Football League.

Dale started in the league as a coach for the Warriors in 1963. In 1971, Dale was appointed Head Coach of the Warriors and held that position until 1984. After holding several offices in the League, Dale finished out his years of service on the Commissioner's Staff from 1987 until 1990. Dale Scheiderer died in November 1990.

2019 RECIPIENT JOSEPH MORALES

I'm very happy that I got a chance to play in the WJFL. I will always remember my Knights family and all of my supporters throughout the years. I want to thank all of the coaching staff and volunteers who put their time and effort into this league. It's a great honor to be picked for the Dale Scheiderer Memorial award. I want to thank every one of the coaches that voted for me. I also want to thank the coaching staff of Greenwood because not only did they teach me the game of football, they taught me that hard work and effort pays off, not only on the field but in life. I wish for the Knights to have many successes in the years to come. Once again I want to thank my Knights family and coaching staff for developing me into the athlete I am today. Like I said, it is truly an honor to be chosen for the Dale Scheiderer Memorial award. May you Rest In Peace Dale Scheiderer.

GO KNIGHTS!! Joseph Morales #21

DALE SCHEIDERER MEMORIAL AWARD

2019 RECIPIENT LOGAN GROSJEAN

Playing football has been a passion of mine since stepping out on the Shoreland Firebirds field for the first time back when I was in 2nd grade. Over the years I have grown to love the game even more and have pushed hard to be the best player and teammate possible.

It's crazy to remember being younger and reading the speeches of those who have won the WJFL M.V.P award in the years prior to me. Thinking back to my 6th grade year, when I was watching the Championship game and at halftime when they announced my name for the award! My eyes nearly popped out of my head because of how shocked I was. I didn't think I would be selected.

Winning the award would not have been possible without many people in my life that I need to mention. First of all, I would like to thank my coaches for their leadership, guidance and belief in me throughout the years. I also would like to thank my teammates, who taught me what it means to be a part of a team. And to my family, especially my mom and dad, who are always there cheering me on and supporting me. **THANK YOU!**

GO FIREBIRDS!

Dear Parents and Friends of the Washington Junior Football League:

It is time again to remind all of you that the Washington Junior Football League is a private non-profit organization dedicated to encouraging sportsmanship and development of football skills for all children from the ages of 7 through 11.

All Commissioners and coaches of the League are certified by the National Youth Sports Coaches Association.

We are NOT connected or supported in any way by the Washington Local, Bedford, Springfield, Ida or Erie-Mason school systems. These school districts are gracious enough to allow us the use of their fields and stadiums.

The Area Head Coach is the person who is in charge of each Team's operation. Any questions or concerns should be directed to the Area Head Coach. The Area Head Coach will have the final say on all issues dealing with their Area.

Thank you for allowing your children to participate in our League activities.
